If so, what about a second-hand crate ?

International shows : major rendez-vous for galleries

F.I.A.C., Chicago, Miami and Basel shows, Paris Photo, Telaf, ARCO in Madrid, Armory show in New York...

All these major shows make up large volumes to be dealt with during short periods. LP SERVICE has all the means necessary to intervene under the best possible conditions : a fleet of vehicles available and staff in sufficient numbers.

WHAT ABOUT INSURANCE ?

As a carrier, LP ART is insured for its civil and contractual liability.

As a general rule, works are insured for all risks from nail to nail directly by the client. Otherwise, LP ART can insure works on demand.

No works are ever carried without insurance.
